184 Burnett Road, Freeport, ME 04032
Phone: (207) 865-4469 | Fax: (207)
865-4884
wolfesneck.org

Junior counselors (JCs) are an invaluable part of our Farm Camp team, and they're rock stars around camp. They're passionate, mature, and responsible young adults (at least 15 years of age) looking to gain leadership experience while learning about sustainable agriculture and local ecology. Working with their group, JCs spend their days outside assisting with camp activities and encouraging the curiosity of campers.

This is an opportunity to learn-by-doing. Each week your JC cohort will meet with our Leadership Educators to reflect on the scenarios you've encountered throughout the week emphasizing ways to continuing developing your skills. To facilitate group cohesion and personal growth, all JCs must commit to 2 week-long sessions of Farm Camp.

Become a JC and you'll:

- Develop leadership skills
- Build experience for your college applications and resume
- Have the opportunity to fulfill service requirements

To Apply

Please submit our online Junior Counselor Application [[link to form](#)] along with your resume and a cover letter explaining why you'd be a fantastic Junior Counselor. If you can't upload your cover letter and resume with the Junior Counselor Application, you can email them to Kari Jenkins, our Youth and Community Programs Manager, at education@wolfesneck.org. Applications will be reviewed on a rolling basis until we fill the position.
