## JUNIOR COUNSELORS

184 Burnett Road, Freeport, ME 04032  
Phone: (207) 865-4469 | Fax: (207)  
865-4884  
wolfesneck.org

Junior counselors (JCs) are an invaluable part of our Farm Camp team, and they're rock stars around camp. They're passionate, mature, and responsible young adult volunteers (at least 15 years of age) looking to gain leadership experience while learning about sustainable agriculture and local ecology. Working with their group, JCs spend their days outside assisting with camp activities and encouraging the curiosity of campers.

This is an opportunity to learn-by-doing. Each week your JC cohort will meet with our Leadership Educators to reflect on the scenarios you've encountered throughout the week emphasizing ways to continuing developing your skills. To facilitate group cohesion and personal growth, all JCs must commit to 2 weeklong sessions of Farm Camp.

JCs can choose to sign up for one or more of our 10 Farm Camp weeks, running from June 18 – August 24. **As this is a day camp, we do not have residential options available for Junior Counselors.** There is no fee for participating in the JC program, but it requires an application and commitment from participants.

### **Become a JC and you'll:**

- Develop leadership skills
- Build experience for your college applications and resume
- Have the opportunity to fulfill service requirements

### **To Apply**

Please submit our online [Junior Counselor Application](#) along with your resume and a cover letter explaining why you'd be a fantastic Junior Counselor. If you can't upload your cover letter and resume with the Junior Counselor Application, you can email them to our Education Programs Manager at [education@wolfesneck.org](mailto:education@wolfesneck.org). Applications will be reviewed on a rolling basis until we fill the position.
