Workshops

Pre-registration required

Winter Growing Tour & Talk

Saturday, January 12th, 1-4 pm
\$20/person, *Adult workshop*

Come out to the farm and explore best practices for winter growing. We'll tour our year-round growing infrastructure and venture inside to talk about extension practices for the backyard grower (weather depending). Topics covered will include microclimates, a closer look at greenhouse components, designing your winter garden, and more!

Make Your Own Kombucha Workshop

Saturday, February 16th, 1-2 pm
\$12/person, *Ages 12 & up*

Have you been wanting to learn how to make your own kombucha? Kombucha is a beverage filled with health promoting minerals, enzymes, and probiotics. Learn about the beneficial properties and how to make it yourself, taste test different flavors, and take home a "scooby" to begin making your own brew!

Understanding Integrated Pest Management

Saturday, February 23rd, 1-3 pm
\$15/person, *Adult workshop*

Are the bugs and weeds in your garden getting you down? Come dig into integrated pest management and integrated weed suppression management practices. We'll focus on organic solutions to help you get out of the weeds. This is a lecture-based workshop and topics covered will include pest identification, crop rotation, organic pest control, and more.

Community Programs

Farmer for the Morning

Thursdays & Saturdays (Jan. 5, 19; Feb. 2, 16)
10-11 am, *Ages 6 & under with parents*
\$5/person

Bring your young farmers to the barnyard for a morning of fun! We'll start with a quick story before our little farmers help with farm chores and explore. We'll also meet the animals and participate in activities with rotating themes. A perfect morning play date with friends!

Farmyard Storytime

Tuesdays (Jan. 15, 29; Feb. 12, 26)
10-10:30 am, *Ages 6 & under with parents*
Free

Join us for a special farm-themed story time! We'll meet inside the farmhouse to read a few stories about our different farm animals and more. Sit back and bring a snack, if you'd like!

February Vacation Camp

Monday, February 18th-Friday, February 22nd
9 am-4 pm, *Ages 7-10*
Choose one day or more; full-week discount!
See website for rates & registration

We invite kids to spend their school vacations learning, exploring, and having fun at Wolfe's Neck Center! Grab your snow gear and come learn and play here at the farm. We'll track down our farmers to find out how they keep our cows and sheep happy and warm, and we'll head into the forest to explore our winter wonderlands. A full week of winter adventures!

Special Event

Cows Pick the Super Bowl Winner

Saturday, February 2nd
12:45 pm, *All ages*

Come down to Wolfe's Neck Center to see who our cows think will win the big game! Our expert cow will make her Super Bowl pick at 1pm, so be sure to gather around the dairy barn for a first look at her prediction.
