# Community & Visitor Programs

## *A variety of activities, events, and programs for all ages!*

### Family Farmyard

Join us at the Education Barn each weekend morning for special pop-in activities great for families. See our animals in the barn, hear a story, or join us for a scavenger hunt! Programs vary every weekend.

**Cost:** Free, \$5 suggested donation

### Afternoon Milking

Come take a closer look into our dairy operations here at Wolfe's Neck Center. Explore our new dairy facility and meet our cows, and step into our parlor viewing room daily to witness a milking session. This is a great way to see how our farmers care for our animals and learn some fun cow facts. During afternoon milkings, one of our educators will be on site to answer questions and explain how it works. **Cost:** Free

### Salamander Meander

Meander through the woods of Wolfe's Neck Center with one of our educators. Search for salamanders under logs, snakes basking in the sun, and signs of other wildlife that inhabit the forests bordering our barnyard. Come prepared for a hike and exploration off the beaten trail! Closed-toed shoes are recommended.

**Cost:** \$5/person

### Barn and Garden Tour

Join one of our educators to learn about everything we do here. We will spend an hour learning about our livestock, fruit and vegetable production, regenerative agriculture, and the history of this special place on a walking tour of the property. Participants can expect about a mile of walking. **Cost:** Free; *Ages 10 and up*

### Tidepooling

Explore the coast of Wolfe's Neck in this class as we head to the shore for some tidepooling! We'll search for snails, crabs, seaweed and more while we learn about how the ocean impacts our farm. Closed-toed shoes are recommended. **Cost:** \$5/person

### Chicken or the Egg

Bring your boots as we head out to pasture for an up close look at our mobile chicken shelter. We'll learn all about how we raise our laying hens and keep them healthy and happy! You'll even get to gather your own eggs to take with you for your next breakfast.

**Cost:** \$20/group of 4 (\$5 each additional); *Includes one dozen fresh eggs*

### Moovin' in the Pasture: Walk With the Cows

Put on your boots for a special behind the scenes visit to one of the most interesting places on the whole farm...our pastures! We'll get up close with our cows as they feed on forage and learn about how we care for these animals and our land. We'll also focus on how our farmers rotate cows between the different pastures, and make sure our milking herd is getting the best possible grasses and feed. **Cost:** \$10/adult, \$8/child
