About Our Organization

Wolfe's Neck Center for Agriculture & the Environment is on a mission to transform our relationship with farming and food for a healthier planet. We are a nonprofit education and research center situated on 626 acres of farmland, forest, and coast in Freeport, Maine. Our campus consists of an organic dairy program, livestock barns, diversified fruit and vegetable production, an oceanfront campground, and miles of wooded hiking trails. As a working farm located within a unique mix of ecosystems, we offer a remarkable and inspiring place for visitors of all ages to learn and play.

Farm Camp

Farm Camp is a summer day camp program for children ages 4-16. Campers engage in hands-on learning about sustainable agriculture and the environment while taking care of livestock, tending our gardens, and exploring nearby ecosystems. Each year, we host hundreds of campers from the local community and out of state. The Farm Camp season runs from June 20 - August 25, 2023.

Role & Responsibilities

Farm Camp is seeking an experienced nurse to join the team. Responsibilities include:

- Manage ongoing COVID-19 camp protocols
- Work with Camp Manager to maintain camp health and cleanliness standards
- Provide emergency care when needed
- Manage & administer all over the counter, prescription, and emergency medications for all campers and staff
- Oversee First Aid Room supplies and First Aid Kits, including daily restocking
- Maintain camper health logs
- Role model healthy living, positive energy, clear communication, and good stewardship for the environment

Qualifications

- At least 21 years of age
- Registered Nurse licensed in the State of Maine, EMT certified, or equivalent
- Passionate about working with children ages 4-18, from a variety of backgrounds
- Ability to work outside in a variety of environments and weather (including heat, humidity, and rain)

Terms of Employment

This is a full-time, seasonal position, running from June 20 – August 25, with 1 week for staff training (June 12-16). A commitment to the entire camp & training season is required. Typical working hours are Monday through Friday 8am – 4:30pm

Documentation establishing your right to work in the United States is required along with the completion of a successful background check. Compensation includes: pay range of \$18.00-22.00 p/hour, to be paid on a bi-weekly basis; potential for low-cost on-site housing; free rentals for bikes, kayaks, and canoes (dependent on availability); discounted oceanfront camping (dependent on availability); 25% discount in the Farm Café and Farm Store.

To Apply

For more details about our Farm Camp programs, please visit our [website](http://www.wolfesneck.org). Please submit an [Online Application](#) along with your cover letter and resume. If you have questions about the application process, please contact Molly Cooper, Farm Camp Manager: mcooper@wolfesneck.org. Applications will be reviewed on a rolling basis until filled.

Wolfe's Neck Center for Agriculture & the Environment does not discriminate on the basis of any protected category. Applicants are selected based on their ability to perform the essential functions of the job, prior related work experience, and references from previous employers.
